

As our nation

reflects on the historic 2008 presidential election, C-SPAN's *American Presidents: Life Portraits* exhibit takes a look back at the lives of the 43 men who have held this office. C-SPAN's traveling exhibit offers a portrait of each of the country's presidents through paintings, photographs, prints, and audio recordings.

This reception is made possible by the C-SPAN Archives, featuring the new education resource, C-SPAN's Video Library, found online at www.c-span.org/videolibrary.
